Speaker Meeting - Monday 14th July 2025 10:45am

Cut Steel Jewelry

Cut Steel Jewelry, a craft originating in the 1600s, was at the height of fashion from the mid 1700s well into the 19th century. Judith Oughton will talk about the history and some of the distinguished pieces and their wearers.

Welcome! - The meeting is open to all

Free entry and refreshments
